Our company's offering is designed to elevate the natural charm of your interior spaces with its unique features, including color variance, slubs, weaver regulations, and shading. These attributes are deliberately incorporated into the product and are not to be viewed as flaws. We have taken every effort to present precise descriptions and technical specifications, and we apologize for any discrepancies or omissions. Please note that the technical specifications and product details may be subject to change without prior notice. To ensure consistency in color, we suggest using materials from the same batch. Our company guarantees that all products are free from manufacturing defects and are suitable for typical use. However, please note that there may be a tolerance of ±10% in dimensions.
